☐ Bel Green Architectural Review Committee APPROVED

Approval by the Brickshire ARB is limited solely to compliance with the Association's Design Standards. It does not constitute or imply approval of any aspect of the project under local, state, or federal laws, including but not limited to zoning, building codes, or permit requirements. The homeowner/contractor/builder is solely responsible for obtaining all necessary governmental approvals, permitting, and ensuring full compliance with applicable regulations. The Association makes no representation or warranty regarding legal compliance and assumes no liability for any failure to meet such requirements.
